Bounty

Learning Landscape

Bounty is informal break-out seating, for up to ten students for use in breakout areas. Bounty has electrics for powering up to four devices and a plinth option for hiding floor boxes. It is a robust modular design for ease of installation.

Bounty
Learning Landscape

Bounty - Standard Sofa
Frame: Plywood and hardwood frame with glued and screwed joints.
Foam: Vitafoam Reflex
Legs: Extruded aluminium finished in black
Plinth: Extruded aluminium finished in black with black stained MDF.
